Did You Know?

It's time to renew your tennis club membership. Annual dues are due in January. You can find a renewal form on the bulletin board at the cc courts or posted on our website.

► It's been an interesting fall in Timber Pines. The weather has gone from extremely warm and humid to cold and back again. The one constant has been some great tennis opportunities. Our Tuesday night open tennis has remained popular. Why not stop by and play under the lights. This event is open to all tennis club members. It starts at 7:00.

► We have already

sold out of most of the sample hats that we purchased, but we will still be taking orders for more until Wed., December 12th. See Ralph VanDusen to place your order ASAP.

► We are entering the busy time of our tennis club schedule. Be sure to mark your calendars with the fun events listed in the upcoming events column. Check out the club website for more information.

► Would you like to become more involved with the tennis club? Come to our annual meeting on January 11th at 1:00 in the lodge. You will have the opportunity to meet other tennis players and volunteer to help run our social events for the upcoming year. Want to be even more involved? Run for president! 😊

► Merry Christmas to each and every one of you.

2019 Championship / Charity Tournament

Our tournament directors have been busy planning the 2019 tournament. The group, headed by Sharon Evans has recently established the following schedule of play:
